Town Planning - (South Kanara) - Mangalore Municipality - Kodialbail East and West ward schemes - Sale of Government lands to Municipal Council - Collection of value.

From the Board of Revenue Mis. No. 1468, dated 30th May 1939.

In para 1 of his letter, Ref. No. 6337/37, dated 21/2/38, submitted with the Board's Proceedings, Mis. No. 2277, dated 18th August 1938, the Collector of South Kanara, has reported that after the full development of the proposed town planning scheme, the ultimate value of the lands which are proposed to be sold to the Municipal Council might come to Rs. 4,000/- per acre. He has however recommended that the 15.64 acres of land might be sold to the Municipal Council at Rs. 500/- per acre in view of the fact that if the Government did not propose to let the Municipality have the lands at a price extremely favourable to it the scheme would have to be dropped and then the Government would not be able to realise even the price of Rs. 7,820/-. The Board of Revenue has recommended the Collector's proposal to sell the lands to the Municipal Council at Rs. 500/- per acre.

2. It has been suggested that the rate of Rs. 500/- per acre is too low and that the Municipal Council might be required to pay a rate of Rs. 1,000 per acre, subject to the condition that the Municipality should exempt from payment of betterment tax not only those lands included in the town planning area which are reserved for Government purposes but all Government land in the area whether reserved or not for Government purposes in view of the concessional rate of land value, proposed to be charged. Assuming that the Municipality sells the land at Rs. 4,000 per acre, it will realise a sum of Rs. 62,560 while it will have to pay to the Government only Rs. 15,640 at Rs. 1,000 per acre. This will leave a balance of about Rs. 47,000 for utilisation by the Municipality on the development of the area against the estimated credit of Rs.50,000

under sale proceeds of sites and buildings and this appears to be sufficient. The Board of Revenue is requested to offer its remarks on the above suggestion and to ascertain and report whether the Municipal Council is willing to have the land alienated to it on the above terms.

3. Separate action will be taken in the Education and Public Health Department on the Board's recommendation in para 2 of B.P. Mis. No. 1468, dated 30th May 1939 regarding the correction of the schedules.

Secretary to Government.

Sub.- Town planning - South Kanara - Mangalore Municipal Council - Kodialbail East & West Ward schemes.

Board's Ref. B. 6653/38, dated 7/10/38.

***

The Board wants information whether S. No. 663/25, measuring 9583 sq. ft. referred to in schedule I of the town planning scheme for the Kodialbail West ward is still reserved for a school. Enquiry shows that a portion of it measuring 8494 sq. ft. denoted as 663/25 B has been assigned to the adjoinin holder one B.A. Nagesh Pai and the remaining portion serves as a margin to the adjoining road and is registered as assessed waste.

The Board has also called for a list showing the survey Nos. and extents of the lands belonging to Government which would be liable to betterment contribution with reference to sec. 23 of the Town Planning Act. A list of Government lands included in the scheme is given below:-

3. No property tax is levied from these lands at present and therefore they are exempt from betterment contribution in accordance with section 25(2)(b) of the Town Planning Act which states that lands and buildings exempt from property tax shall also be exempt from betterment contribution. The assessed wastes referred to when they are sold would be assessed to property tax in which case they would be liable to the payment of betterment contribution also. T.S. No. 1553/1B the site of the District Superintendent of Police's bungalow will be liable to betterment tax. This land was acquired from the land belonging to Mrs. Anni paid included in the Kodialbail East ward town planning scheme.

4. The Tahsildar has noticed the following discrepancies in the schedule to the two schemes which are due to the resettlement errata issued after the Town Planning Scheme was originally submitted to Government.

Kodialbail East Ward town planning scheme.

T.S. 1554/1 B in the Kodialbail East ward scheme is the same as the present T.S. 1554/2. It was transferred to poramboke as per settlement errata.

Kodialbail West ward scheme.

T.S. No. 666/83 and 669/1 are road proambokes and not assessed waste as shown in the scheme.

T.S. No. 668 is poramboke land alienated to the Municipality for a school and not a road.

T.S. No. 1308 is now a road poramboke.

T.S. 1353 is lane and not a channel poramboke.

T.S. 1546/1A1A is at present numbered as T.S. 1546-1.

There

There are lands reserved by the Government for their purpose in the Town Planning scheme.

The enclosures to the Board's reference are resubmitted.

Letter from the Collector of South Kanara, No. D.Dis. 1275/39, dated 25th April 1939.

RESOLUTION.-

Submitted to the Government.

2. The Collector brings to notice that subsequent to the preparation of the schedules, many changes in extent etc. due to resettlement errata have crept in. There are about 150 changes in the schedule connected with the Kodialbail East Ward scheme and about 400 in the schedule relating to the Kodialbail West Ward scheme. The Board requests that the Government may direct the Municipal Council, Mangalore, to take steps to bring the schemes up-to-date.

Sir,

Sub: Town Planning - Mangalore Municipality - Kodail bail East and West Ward Town Planning Schemes.
Ref: Govt. Memo. No.31680-8,H/39 dated 18-3-1941.

The two schemes are resubmitted with the following remarks:-

1) It is for consideration whether the "Map" or "Map C" referred to in scheme should be numbered according to the old Town Planning Rules of 1923 or the new Town Planning Rules of 1933. If it is to be according to the latter rules, then wherever the word "Map" or "Map C" occurs in the scheme, it may be changed into "Map No.3 & 4" to comply with rules 45 & 48 of the Town Planning Rules 1933.

2) Clause 6. The word "and" may be inserted between the words "total" and "net" in line 1. For the word "betterment" the words "betterment contribution" may be substituted.

3) Clause 10(d). This clause provides for future streets to be constructed by the council or the owners as the case may be. It is very desirable to specify clearly which streets are to be made by the council and which by the owners. Presumably, such of the streets as are included in the schedule of lands to be acquired will be made by the council and the rest by the owners.

4) The words "Responsible Authority" may be substituted for the word "Council" wherever it occurs in the following clauses.- 10(a)(b)(c)(d) and (e), 12,13,14,15(c) and (d),17(b) and (g), 18 and 21.

5) The words "Responsible Authority" may be substituted for the word "Commissioner" wherever it occurs in the following clauses.- 11, 15(b), 16(c) and 20.

6) Clause 16(b) - The words "Local Government" may be substituted by the word "Director".

7) Clause 17(d) - The word "should" may be substituted by the word "shall".

8) The scheme does not make provision for regulating the character of houses (such as detached or semi-detached, side or rear spaces etc.) which is usually incorporated in the newly sanctioned town planning schemes. Such provision is found to be very necessary if the development of town planning areas should take place in accordance with garden city planning principles. It does not appear to be too late yet to incorporate in the scheme the following provisions under clause 17.-

"(i) Not more than one dwelling house shall be constructed in a building site nor shall any building site be subdivided or utilised for the construction of more than one house.

For the purposes of this clause, a dwelling house shall mean a house designed for occupation by not more than one family together with outhouses, latrine and other similar appurtenances to such house."

"(j) Only detached buildings shall be permitted in the area except in the areas reserved for shops and business purposes where continuous building may be permitted."

"(k) There shall be a space of not less than 5' on either side of a house provided that where a space of 10' is left on one side, it shall not be necessary to leave any space on the other side."

Enclosures:

No. 1320/41 dated 1st May 1941.

Sir,

Sub: Town Planning - Mangalore Municipality - Kodail bail East and West Ward Town Planning Schemes.
Ref: Govt. Memo. No.31680-8,H/38 dated 18-3-1941.

The two schemes are resubmitted with the following remarks:-

1) It is for consideration whether the "Map" or "Map C" referred to in scheme should be numbered according to the old Town Planning Rules of 1923 or the new Town Planning Rules of 1933. If it is to be according to the latter rules, then wherever the word "Map" or "Map C" occurs in the scheme, it may be changed into "Map No.3 & 4" to comply with rules 45 & 48 of the Town Planning Rules 1933.

2) Clause 6. The word "and" may be inserted between the words "total" and "net" in line 1. For the word "betterment" the words "betterment contribution" may be substituted.

3) Clause 10(a). This clause provides for future streets to be constructed by the council or the owners as the case may be. It is very desirable to specify clearly which streets are to be made by the council and which by the owners. Presumably, such of the streets as are included in the schedule of lands to be acquired will be made by the council and the rest by the owners.

4) The words "Responsible Authority" may be substituted for the word "Council" wherever it occurs in the following clauses.- 10(a)(b)(c)(d) and (e), 12,13,14,15(c) and (d),17(b) and (g), 18 and 21.

5) The words "Responsible Authority" may be substituted for the word "Commissioner" wherever it occurs in the following clauses.- 11, 15(b), 16(c) and 20.

6) Clause 16(b) - The words "Local Government" may be substituted by the word "Director".

7) Clause 17(d) - The word "should" may be substituted by the word "shall".

8) The scheme does not make provision for regulating the character of houses (such as detached or semi-detached, side or rear spaces etc.) which is usually incorporated in the newly sanctioned town planning schemes. Such provision is found to be very necessary if the development of town planning areas should take place in accordance with garden city planning principles. It does not appear to be too late yet to incorporate in the scheme the following provisions under clause 17.-

"(i) Not more than one dwelling house shall be constructed in a building site nor shall any building site be subdivided or utilised for the construction of more than one house.

For the purposes of this clause, a dwelling house shall mean a house designed for occupation by not more than one family together with outhouses, latrine and other similar appurtenances to such house."

"(j) Only detached buildings shall be permitted in the area except in the areas reserved for shops and business purposes where continuous building may be permitted."

"(k) There shall be a space of not less than 5' on either side of a house provided that where a space of 10' is left on one side, it shall not be necessary to leave any space on the other side."

p.t.o.

"(l) There shall be a rear space of at least 15' for entir width of site except in the shopping and poor class areas where it shall not be less than 10'. In such rear space only a latrine or ashpit may be permitted, provided that a garage or cowshed may also be allowed at the rear corners of the site in such space if such building does not occupy on the whole more than 1/3 of the width of the site and the height of garage or shed (including parapets if any) does not exceed 12' above the level of the site."

"(m) Not more than half the extent of a site shall be built on except in the shopping and hutting or poor class areas reserved under clause 16(b) of the scheme where not more than two third extent of a site may be built upon."

Inasmuch as the addition of the above clauses would involve modification of the scheme materially it may be necessary for the scheme to be republished and approved by the council in the manner as a draft scheme according to section 14(4) of the Town Planning Act.

Perhaps Government may sanction the schemes now without the addition of these clauses and the council may later on get the schemes modified under section 15(2) of the Act to effect such additions.

The case relates to the Kodialbail East and West Wards Town Planning Schemes submitted by the Mangalore Ml. Council for sanction of Govt. It was observed from Schedule II of the Kodialbail East Ward Scheme, that the Council had taken credit for an income of Rs.50,000 which they expect from sale of Government lands as house sites, on the assumption that the lands will be alienated by Government free of cost. Revenue Department, however, objected to the land being alienated free of cost and have proposed to sell it to the Council at its present agricultural or undeveloped value of Rs.500/- per acre in accordance with the policy indicated in G.O.No.1107, L.S.G., dated 18-3-37. The Council has agreed to the proposal. Revenue accordingly propose to ask the Board of Revenue to take steps for the alienation of the land to Mangalore municipality ~~xxRsx500/xxpexxaxxx~~ subject to the payment of land value at Rs.500/- per acre. The draft may be accepted and the file passed on to Finance.

Please see the notes from p.41 ante. The Board may be consulted with reference to the suggestion of Fin. above. It is presumed that the grant of the land to Municipality at Rs.1000/- per acre will be subject to the condition at A on p.47 ante. A copy of the Board's proceedings at pp.41-43 c.f. with relevant notes may be sent to Education and Public Health for taking further action as recommended by the Board in para 2 of its proceedings. A draft Memorandum to the Board is submitted for approval. Local Administration, Education and Public Health and Finance may see before issue.

For orders whether the suggestion of Finance will be pursued. If so the draft memorandum to Board may issue. It is however doubtful whether the Municipal Council will agree to pay Rs.1000/- per acre for lands which in their undeveloped state, are worth only Rs.500/-
